## Admissions Policy

---

Blaydon Harrier and Athletics Club is a registered charity (charity number 1138216). Our charitable purpose is to promote community participation in healthy recreation by providing facilities for athletics. As a charity, we have a legal requirement to carry out our charitable purpose for the public benefit.

For health and safety reasons, we have a limit on membership numbers and operate a waiting list for membership when we have reached our membership number limits.

The next available membership will be offered on a 'first come, first served' basis. There is no objective criteria for deciding membership.

For more information about membership, please visit [Join Us | Blaydon Harrier & Athletics Club](#) or email [membership@blaydonharriers.org.uk](mailto:membership@blaydonharriers.org.uk).
